

Dust Control

Ratepayers wishing to apply dust control, of a council approved product, applied to the road adjacent to their property of their own accord and the rural municipality will continue to prepare the surface. Ratepayers utilizing this method must complete this form.

I _____ of _____ do hereby make application for
(Name) (Legal land Location)
dust control on the road adjacent to my yard site.

I request to the Rural Municipality of Garden River # 490 to permit the application of

(Distance or measurement)

On _____
(Land Location and Road Name(s))

I accept and acknowledge the following (Please initial each point):

- The RM of Garden River # 490 will do our best to prepare the land location before application, but this will be subject to availability and proper notice. Proper notice consists of two (2) full business days. Preparation of the site can't be guaranteed. _____
- It shall be understood by all ratepayers that, while the rural municipality will attempt to refrain from grading road surfaces that have dust controlled applied, public safety and road security shall take precedence and, as such, the rural municipality will maintain roads as deemed necessary. _____

Signed this _____ day of _____, 20_____.
